This child has already accepted me into his body
I've been watching this child be thankful for all those love and sympathy you had given him along with your so called belief in your god.

This is your limit.
The child is no more.

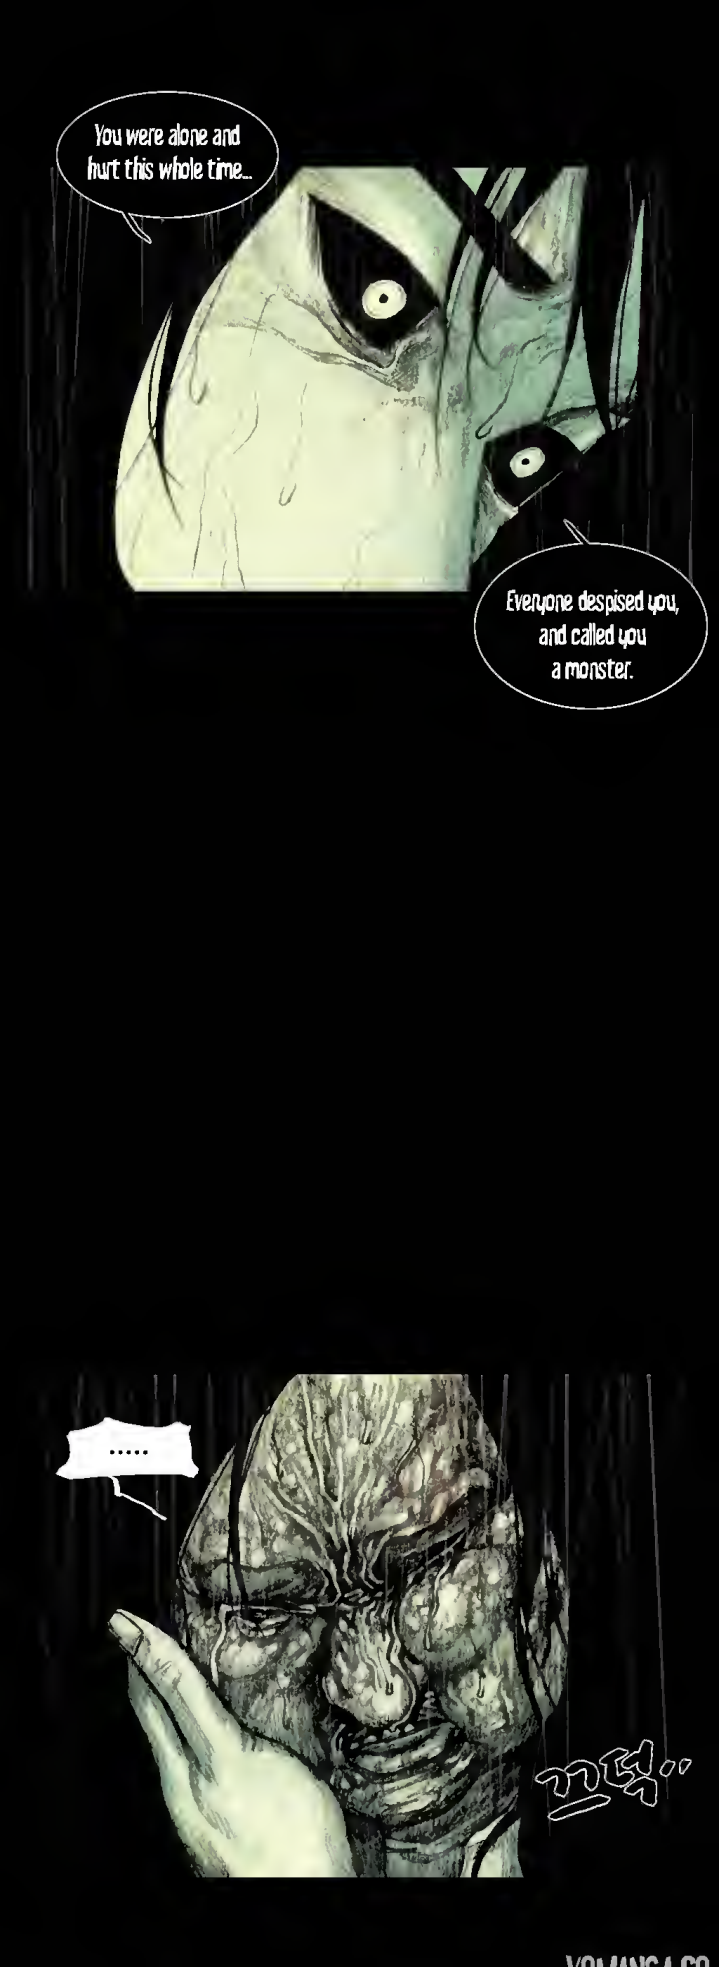
Now, look at me.
My lovely child...!
A lot of bad people
hated you.
Those so called people
have killed yours
and my family.

YOMANGA.CO



You were alone and hurt this whole time...
Everyone despised you, and called you a monster.
.....
